Sirus Madjderey is one an Austrian whistling artist and **world record holder** for the highest note ever whistled. With this rare art form, he offers an exceptionally exclusive musical experience. Particularly recommended is the duo performance with piano. As **Austrian Vice Champion in Magic**, Sirius adds a perfect touch of charm and humor with his 20-minute show act-an ideal interlude, for example, before dessert at a gala dinner. Known from television, commercial jingles, and the project "Mythos Mozart", he stands for entertainment at the highest level.
